This letter is an appeal for a **Request for Waiver**  
**CC Docket No. 02-6**  
**Funding year 2004-2005**  
**Today's Date October 14, 2005**

I am respectfully requesting a waiver for missing the deadline for Form 486. I had filed the 486 with all the other FRN's that were approved for the funding year 2004-2005, one of which was with Verizon Wireless. This FRN 1197400 was appealed. We received the Decision on the Appeal dated March 24, 2005. This was the first time an appeal was filed for a decision letter and I made an unfortunate and expensive mistake. It was my misunderstanding and mixing up of the 120 days that I missed the deadline for the 486 for FRN 1197400. I thought: a) I already filed one 486 with Verizon for a different FRN, I neglected to file another for a different FRN and b) it was with the same Oct. 28, 2005 deadline for filing the BEAR form. Therefore, as of now, only the month of June will be covered.

Since this is the first time I mixed up these dates, I am "appealing" to the FCC that this should be a lesson learned with an amicable ending.

Thank you,
